

August fun

AT THE TABLE

The month of August was packed full of events for **In My Father's Kitchen**.

On Sat. August 12th volunteers from **Beautiful Mess Ministries, Fowler HS ROTC program and IMFK gathered to clean-up** the neighborhood in preparation for **IMFK's** next event.

On Sat. August 19th, **IMFK partnered with Beautiful Mess Ministries for a Lot Party at the IMFK facility**. Participants were treated to music from a live band, hot dogs and ice cream all for free. **IMFK gave away T-shirts to promote neighborhood pride** in living in the Hawley Green Historic District. Families from the neighborhood enjoyed the

chance to meet their neighbors.

Finally on Sat., August 26th, **over 50 volunteers gathered at the Clinton Playlot in Hawley Green** for the annual **IMFK Summer Give Away**. Refugee and needy families came to receive **FREE clothing, shoes, housewares, and bedding**. Over 160 people came through the line to fill their bags.

Thank you to **Orchard Church, Fowler HS ROTC Jr. program and Beautiful Mess** for adding your volunteers to the **IMFK's** team to make this event such a success.

The IMFK Taste and See Pasta Sauce also made a showing at the **New York State Fair** this year at the **Taste of NY** area in the horticulture building.

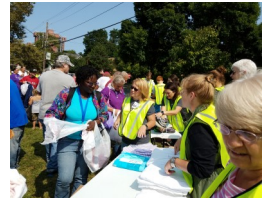

And closing out the month of August we were **privileged to assist our 70th friend into his own place**.

None of this would have been possible without the prayers, financial support, donations of goods and time from you our IMFK Sous Chefs.

Together we are making a difference!

Eating with a purpose

As we move into the fall months our thoughts turn to **back to school, cooler temperatures and the holidays.**

As you begin to make your gift lists this year, may we suggest the **IMFK Taste and See products.** This is a great way to financially support IMFK. **100% of the profits come back to assist IMFK in serving those who feel invisible.** Create your own gift baskets full of sauce, syrup, coffee and your own little surprises.

If you have family and friends **outside of Syracuse you can now have our products shipped directly to them.** (Twenty East, Syracuse Crate Store and Nelson Farms) Go to www.inmyfatherskitchen.org. **Taste and See page** which has links to the above mentioned specialty stores who will ship for you.

If you are having **family in for the holidays make dinner less of a stress** for your-

self and go to **Wegmans and pick up a jar of the IMFK Taste and See Pasta Sauce .** As you gather around the table to share laughter and love **you can talk to those gathered about “eating with a purpose”** and what **buying IMFK products do to help those who feel invisible.**

Thank you for your continued support!
Together we are Building Hope and Changing Lives!
