## OCTOBER FUN!

October was a busy month for **In My Father's Kitchen**.

Chef John was honored to **share the story of IMFK** with the congregation at **Primitive Methodist** in Johnson City and the **My Brother's Keeper Ministry** at Collamer United.

**Haylor, Freyer and Coon**, invited Chef John to share the mission and work of **IMFK** at their **Employee Share Holders Luncheon**.

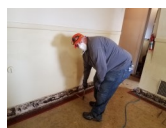

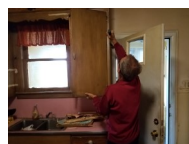

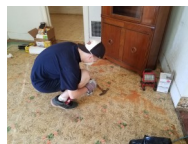

On Oct. 19th, Chef John traveled to Albany to speak at a **state-wide meeting for the Nutrition Outreach and Education Program (NOEP)** to talk about how **IMFK uses food** as a vehicle to help build relationships with our homeless friends.

On Sunday, Oct. 29th, **Leigh-Ann** shared a **message** about coming out of the grave and into a new life one step at a time; the mission of the **IMFK Life House**, at the **Orchard Church**.

**Work on IMFK's Life House began in October.**

On Tuesday, Oct. 31st, **IMFK partnered with the Northeast Community Center** to offer children in the **Hawley-Green** neighborhood a **safe alternative to trick or treating**.

Over 150 kids and parents joined in on the food, games and face painting. Each child left with a **bag packed full of candy thanks to the generosity of the Orchard Church**.

**A BIG thank you to Giovanni Foods, the United Way and Mark's Pizzeria for your generosity and donations, helping to make this event a great success.**

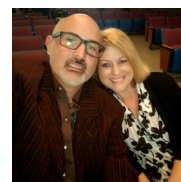

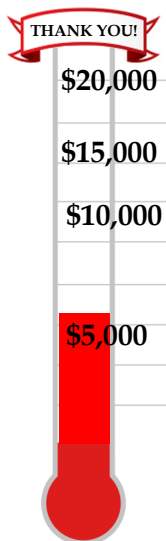

Thank you also, to **all the volunteers from the Orchard Church** and the teens from the **Navy Junior ROTC program** at Fowler High School.

October was a full month for **In My father's Kitchen** and we wanted to express our thanks to all our **IMFK Sous Chef supporters!**

**Together we are building hope and changing lives!**

**\$20,000**

Our goal

**THANK YOU!**

## IMFK LIFE HOUSE

The work on the IMFK Life House has begun!! Life House is the newest addition to the IMFK vision. Life House will be a home of rescue, transition and transformation for women **once trapped in a life of sex trafficking.**

On Saturday, October 21st individuals from the Orchard Church helped to clean out the IMFK Life House so we could begin the build out to restore it into a safe, livable place.

The amount needed to complete the house is \$20,000. This is for new floors, cabinets, painting, appliances, furniture and a security system. We are in need of a top of the line security system for the IMFK Life House to ensure safety for all who live and visit there.

Please prayerfully consider offering your financial support of the build out of the IMFK Life House

If you are giving by check, please put **IMFK Life House** on the memo line.

Online giving is available at:

Together we are making a difference in the lives of those who feel invisible and thrown away.
